Abstract:

The Effective TB Interviewing for Contact Investigations Materials include a Facilitator-Led Training Guide, Self-Study Modules, and a Video. The materials can be used together or on their own. Each material has to be ordered separately from the CDC website order form. The Facilitator-Led Training Guide is an interactive, skill-building guide designed to improve the knowledge and proficiency of TB staff responsible for conducting the TB interview. The guide is intended for facilitators who will be conducting TB interviewing courses.
